

How It Works

Book Your Service: Schedule your babysitting needs through our online booking system or contact us directly.

Prepare for the Day: Provide essential information about your child, including medical history, allergies, and any special needs.

Peace of Mind: Leave your child with an identified watcher in the waiting room and attend your medical appointment with confidence.

Supporting You Every Step of the Way

Peace of Mind for Patient Moms

A My Sister's Keeper Service

About Us

My Sister's Keeper is dedicated to supporting women undergoing cancer treatment. Our 'Waiting Room Watchers' service provides a trusted babysitting solution for mothers who need peace of mind while attending medical appointments or receiving treatment.

Service Overview

This service is available to women enrolled in My Sister's Keeper who are undergoing treatments such as radiation, chemotherapy, or physical therapy.

What We Offer

Compassionate and reliable babysitting in hospital waiting areas, ensuring your child is cared for while you focus on your health.

Flexible Timing

Services are tailored to fit your treatment schedule with flexible booking options.

Why Choose Us?

- Caring Staff: Our team is dedicated to providing attentive and compassionate care.
- Comfort and Care: We provide a nurturing and engaging atmosphere for your child in the hospital waiting room.
- Supportive Community: As part of My Sister's Keeper, we understand the unique challenges faced by women undergoing cancer treatment.
